

The salvation of the human soul

the preparation of my bride

Dean Hartley

Introduction

I dedicate this book to our loving Creator who inspired me to write it. For it is his good pleasure to share this information with whoever reads it. For it is divine knowledge that cannot be taught by man. It is by his grace, his mercy and his love that he does this. The words came from him through many hours of spiritual cleansing, discernment, prayer and sitting quietly with him. To him be all the praise, the honour and the glory. Amen

The beginning of birth pains

The salvation of the human soul is precious to Me, my son. For it is my will that every soul is redeemed back to its Creator. I desire that none should perish. The human soul is eternal, it lasts forever. It never fades away. It is immortal.

The flesh has been corrupted since the beginning of the fall. It has gone from incorruptible to corruptible, from immortal to mortal. The soul is your consciousness as you know it. It shall remain through all eternity. It shall be in peace, or it shall be in torment. Being in torment is when the soul is not with Me. It is separated from Me, it cannot find its way back to Me. The soul is at rest, it is at

peace, when it is with Me. From the day you were born, your soul has been exposed to utter darkness. Darkness in your family, your friends. Darkness in everyone you come in contact with. Every conversation, every article you read, every TV program you watch is clothed in darkness. Seducing spirits bringing in deception, lies and propaganda from the evil one. His plan is to veil the true identity of who you really are.

To make you think you are who the world says you are. Who your parents say you are. Who your friends say you are. Everyone but Me. I am your Creator, I know where you came from. I knew you before you were conceived. I knew the exact time and place you would be born. I chose this myself.

I have brought you forth from the time you born. I knit you together in your mothers womb. For you are fearfully and wonderfully made. I am you. My Spirit dwells in you. Without it you could not exist. Did I not breathe into Adam and he became a

living soul? Your true identity has been hidden from you. You think that you are separate from Me. You are not. I am with you all the days of your life. I have been with you since the day you were born. My Spirit is sitting in you, waiting for you to call upon Me. Some people never cry out to Me, they never find Me. They think I am a distant God. They think I am in another realm, many miles away. This could not be further from the truth. For I am your next breath.

My grace is sufficient

My grace for you is sufficient. I know your faults, your weaknesses and your temptations that come against you. The evil thoughts, the fiery darts from the wicked one. They are sent to bring temptation, ideas and thoughts that are against my will, my statutes and commandments. To bring sin, guilt, shame, division and disunity to my people. Strategic plans orchestrated to bring confusion, doubt, unbelief, lack of faith, lawlessness, perversion. Corruption in every way.

It has infiltrated into every area of humanity. Corruption in governments, police, world officials and leaders. Business, financial and banking

systems are infused in corruption. Pharmaceutical companies are enveloped in greed. Not allowing my free herbal medicines to be implemented, but rather pushing their over priced drugs. I shall tear down these corporations, they shall be destroyed.

The world in which you live will soon fall under my judgements. I shall destroy every satanic stronghold. It shall be brought to its knees. I am coming to judge the living and the dead.

I shall protect all who are mine. All those who have surrendered themselves and given up all to follow Me. They shall reap their rewards in heaven. They shall be given the crowns of life. Their souls will radiate in pure light. They shall be given life and life abundantly. Eternal peace, joy and love shall be theirs.

My mercy, my truth and my love

My mercy, my truth and my love are poured out over all mankind. To all those who come to Me. To all those who call upon Me. I shall answer those who seek Me with all their hearts, all their minds and all their souls. I shall not answer the religious ones, the prideful ones, the arrogant ones. You must call upon Me in humility. Like a child seeking love, affection and intimacy from its parents. For does not my Word say “let the children come to Me?”

My mercy is poured from my throne room. Upon all who have forsaken my Holy name. Upon those

that have mocked Me. Upon those that have said “where is your God?” For the hearts of men are like a stone. For did I not harden Pharaohs heart? It is by my mercy that I soften the hearts of those that I am drawing unto myself. This is the first step of my grace.

Then I wait. You take a step towards Me and I shall take a step towards you. My truth is revealed to those that seek Me for deeper understanding. This is precious in my sight. For I desire all my children to seek Me in this way. Not relying on man to answer the deeper things of God. For many have gone out in my name, preaching every wind of doctrine.

My love is poured out upon all those who humble themselves at my feet. To all those with a contrite spirit. My love overshadows them like a blanket keeping in the warmth. It cuts to their very hearts, their minds and their souls. It is like a double edged sword piercing its way through bone, flesh

and marrow. My love is overwhelming to the human soul. For it longs to be loved. My love never fails. It draws people out from the deepest depression. It conquers fear, doubt. It softens the hardest human heart. It penetrates the deepest darkness. It overrides emotional barriers. Such as hurt, rejection, loneliness, abandonment, selfishness, greed, envy, hatred. It brings peace, joy, hope, comfort and rest to the human soul.

The beginning of salvation

The beginning of salvation begins with you. For it is your choice to surrender yourself unto your saviour. To humble yourself before him and accept what he has done for you. To accept the gift of eternal life through his blood that was shed for you.

To accept the position of being his disciple. To lay down all, to follow him wherever he goes. To be his hands, his feet. To be his mouthpiece whom he can speak through. To be a willing vessel that he can use for his glory. To be a living sacrifice. To be a be

bond servant unto your master. To proclaim his truth, his love and his mercy. Repentance is the next step to salvation. To turn away from your old ways, your thoughts and ideas. To change from your ways unto my ways. Your thoughts to my thoughts. To turn from all sin and live a holy life.

The waters of baptism

The waters of baptism is an essential part of salvation. It is like a burial of the old you, dying to oneself. It is a spiritual process that is not fully understood by man. It is important to Me, and to your spiritual process. It is a defining line between the old and new Creation. The old man dying and rising up a new creature in Christ. The old man passes away and is no longer recognised by Me.

It is the beginning of the birthing process that is spoken in my word. Becoming one with Me in spirit. Allowing Me to come in to take over your very soul. This does not happen overnight like many think.

But a gradual process of our spirits blending together and becoming one. It begins with emptying oneself of all evil. Spirits that have been sitting in your flesh for many years. Many think they do not have them. This is not true, they must be dealt with.

It is a process that I lead my people through, of daily cleansing oneself of these spirits. This is done under my guidance, under my instruction.

Revealing all that has come against you in the spiritual realm. I will show you how to remove these spirits, how to bind and rebuke them. I will show you where to send them. I will teach you how to fight rulers, principalities, powers and authorities.

The indwelling of my Spirit

The indwelling of my Spirit begins with the baptism of the Holy Ghost. He is sent from my throne room. He comes to sanctify, to cleanse, to bring healing and wholeness in every way. He comes to comfort, to edify, to empower, to restore, to make holy the vessel He is inhabiting. He remains in you, with you wherever you go. He never leaves you or forsakes you. He is holy, He is omnipresent.

The indwelling process continues, of daily cleansing oneself of all evil. And inviting the Spirit of the living God to come in and take over your vessel. It must be emptied and cleansed before I

will come in. I will not indwell dirty vessels.
Vessels that have mixed spirits sitting in them.
Your vessel is a temple for the Holy Spirit. It must
be kept clean, pure and holy. Repentance is a key
to keeping oneself pure. This is done on a regular
basis, to be in right standing before my throne. I
shall forgive all those who humble themselves
before my feet.

The manifestation of the sons of God

The manifestation of the sons of God that is spoken in my Word. This is a future event that will happen very soon. All those who have let Me in to take over their very souls. I shall manifest myself in them and through them. I shall walk where I want to walk. I shall say what I want to say. They will do “the greater things” than I did. They shall be unstoppable. Their power will be endless. I shall pour out my Spirit on all flesh. They shall see the world as I see it. They shall love as I love. They shall be my hands, my feet. They shall be my mouthpiece that I shall speak through. They are

the wise virgins that are spoken in my Word. For they have let Me in, they are full of oil. I am the oil. These are my bride. They shall enter in to the marriage feast. They are my special chosen vessels, that I have raised up for such a time as this. They are hidden, they are not known. They are preparing for battle. They shall march on my command.

Conclusion

The words my son are precious to Me, and to all who read them. They shall free many who read these books. Not all will be able to purchase them. The price of my love is free to all mankind. I have done everything for mankind to find his way back to Me. For does not my word say "if you seek Me with your whole heart you will find Me" I want these books to be translated into the following languages.

english, spanish, greek, german, french, italian,
hebrew
